We hope everyone had a fine time over the holidays, and wish everyone a prosperous 1966.

A fair-sized crowd attended the New Year's Eve party at the club Friday, dancing to the music of the Northern. They also enjoyed the songs of the band and songs by Janet Johnson and Betty Bunker, who do a very fine job.

The New Year is starting off with a busy month. This Friday is regular meeting night at the Lodge starting at 8 p. m.

Sunday, Jan. 9, is the monthly breakfast meeting of the Moose Legion club at the Lodge basement at 11 a. m.

Saturday, Jan. 15, is the District meeting at Ludington at 8 p. m. Ludington Lodge has promised a good time for all who attend. Also on that date we understand the Degree team may be going to Mt. Pleasant for an enrollment.

Sunday, Jan. 16 is a Legion of the Moose meeting at Owosso.

Don't forget we must have one hundred annual payers to qualify for a free lifetime membership.

Local People's Son

rial Photographer

As a youngster in Muskegon, Michigan, Russell R. Fyan envisioned the day he would control the throttle of a fighter or bomber aircraft. Today, Air Force Staff Sergeant Fyan has achieved much of his dream. With 2,000 hours in over 35 types of aircraft the 33-year old sergeant plays a vital role in the development and testing picture at Eglin AFB, Florida. He is an aerial motion picture cameraman, recording on film with his hand-held camera the various tests conducted there. He has photographed experimental aircraft and the first capsule ejection by a human being, also targets in Korea, in his 14-years of service. He and his wife, the former Ramona L. Nelson of Twin Lakes Michigan reside at 104 Hatchee Road with their three sons. Sgt. Fyan is the son of Mr. and Mrs. Harry Fyan, Route One, Grayling.

State Police Capture

Camp Walkaway

A walkaway from Camp LaVictoire over the past weekend was apprehended by State Police of the Houghton Lake Post, Sheriff Arthur Clough reports. Jerald Steeb of Lansing was reported missing from the camp at about 11:25 a. m. on Sunday. He was captured by the State Police early on Monday morning.

The State Police reported that the walkaway was captured on M-18 south of Prudenville driving a car belonging to Ted McEvers of Grayling. The troopers said Steeb apparently stole the car after leaving the camp.

Sheriff Clough also reported that five cars slid off I-75 expressway around Grayling and just south of the City on Sunday evening between six and seven during a spell when the roadway became very slippery.

Camp AuSable Had 4,120 1965 Visitors

Camp AuSable had a good year in 1965. A record of the guests, campers, and visitors was kept by Glenna Jewkes, wife of the camp manager, and she reports that there were 4,120 people that used the facilities of the camp during the year.

About half of the campers were junior and senior young people who came for one day, a weekend, seven days, or longer. The others were married folk, fathers and mothers that took advantage of a week end camp away from home and business.

Reservations for the use of the camp are made through Elder Lawrence Caviness Seventh-day Adventist youth director for the state of Michigan. Each week end in January and February of 1966 is already reserved by groups that will come for winter sports and Christian fellowship.

"Winter Gold" Finally Here

Following a highly unseasonal and warm holiday season in the northern Lower Peninsula, snow, this area's "Winter Gold" started to gently tumble down late on Sunday afternoon, January 2nd.

It continued through the night and was coming down even a bit harder on Monday morning. It would seem that winter has finally arrived and that winter sports could get underway at last.

Thousands and maybe even

tens of thousands of dollars in business was lost to the area over the holiday season due to the lack of snow. Skyline Ski Club located south of Grayling was open for a short time, but the temperatures plus rain quickly cut the slight snow cover away.

The Grayling Winter Sports Park and Mount Frederick, both tried to operate one ski slope but could not keep it long. Now with real snow coming, next weekend should prove to be the real opener of this winter sports season.

The loss of revenue for the area does not only represent ski tow fees and the rental of ski equipment, but, food and lodging, entertainment, gasoline, even retail sales.

that Chuck Kroll was entering

St. Joseph's Hospital in Ann Arbor and hope he will be back with us before long.

Chum Longworth reported on a meeting Dec. 28 with Harry Travis, Natalie Koch and Marilyn Longworth to formulate plans for the 41st Annual Winter Sports Carnival Weekend to be held Feb. 12-13, 1966. Plans call for a full weekend of activities with the Miss Michigan Winter Sports Queen Contest in Grayling and all types of winter sports activities at the Grayling Winter Sports Park.

Major Ed Rutkowski informed the Board that the big National Guard month in 1966 will be June with 10,500 guardsmen from Indiana here June 4-18 and 8,200 from Michigan June 19-23. Ohio encampment is July 9 to 23, Puerto Rico July 23 to August 6, and Iowa August 6-20.

Motion by Bill Kraus, second by Sandy Thompson that this meeting be adjourned at 1:00 p. m.

Next meeting to be held 13 January 1966.

Marge Roper, Sec'y.

Vikings Back In Action

Grayling Regional Chamber of Commerce

Memo: To the People of Crawford County

From: Sal Truettner, President

Subject: The Chamber's new name.

Have you noticed that the Chamber Name has been changed from the Crawford County Chamber of Commerce to the Grayling Regional Chamber of Commerce? And do you know why?

People outside the County and especially those people down state know where Grayling is. But every one, yes just about every one knows where Grayling is. If you don't believe this when you're down below next time, tell people you're from Crawford County and about 90% of them will ask, "Where is Crawford County?" But you won't have to tell them where Grayling is.

So our new stationery reads "Grayling Regional Chamber of Commerce", serving all of Crawford County.

Meeting To Discuss Workmen's Compensation

By David D. Olson

The 1965 amendments to the basic Workmen's Compensation Act will make many small employers liable for provisions of the Act.

Pulpwood producers, farmers, sawmill operators, small business owners, and even housewives could be affected by these legislative changes.

Another Indian Giver . . .

"Indian Giver" is a term of derision long favored by youngsters. It has to do with someone who gives you something—and then demands it back.

Nowadays, Indian giving can be accurately used to describe the tax system.

We have had a modest reduction in federal income taxes. This action was greeted with an immense amount of publicity and was described as a shot in the arm for the economy. And, it is true, just about everyone has had a little more take-home pay to spend.

But this happy situation is soon to end—either entirely or in large part—for most people. The reason: In 1966, a worker with an income of \$6,600 or more will pay \$277 in social security taxes—\$103 more than the \$174 he paid in 1965. The employer's contribution will go up by an identical amount.

And this won't be the end. More increases will go into effect periodically. By 1987, the \$6,600 a year worker will pay \$373, as will his employer. And self-employed people will then pay \$515. Tax reductions are fine. But they don't mean a thing when tax increases take all or most of the money right back.

Grayling's redecorated, remodeled and newly planned A & P store reopened its doors for business this Thursday morning. Changed from long counters and tables are newly designed, modern service display racks and benches. Here patrons may browse about among the merchandise and select just what they may choose. With a handy push cart into which purchases may be placed one may do his entire shopping without having to consult a single clerk unless one may need assistance, and a cashier near the door figures up the amount of the purchases and you pay the amount and presto, you've been waited upon in quick time. Fire had scorched the walls and ceilings and these have been resurfaced with plywood in the side walls and fiberboard in the ceilings. New plate glass replaces the heat-shattered glass windows and doors. All interior woodwork has been enameled in white and everything is spic and span. Store manager Earl Dawson, Norman Dawson, Lawrence Gale, Mrs. Ruby Chappel and Miss Helen Isenbauer spent last week learning the techniques of how to operate a super market.

A special meeting of the Crawford County Red Cross chapter was held Tuesday evening at the home of Dr. and Mrs. Cook, to meet Mr. S. A. Percival Reakes, special war fund representative of the American Red Cross for the mid-western area. Mr. Reakes talked about the war fund campaign and reported Crawford county's quota as \$3,200. Dr. Cook was appointed chairman of the war fund campaign with the following steering committee: T. W. Hanson, publicity director; Roy O. Milnes, A. J. Joseph, Dr. Clippert, Alfred Hanson, Clarence Johnson, Harold MacNeven and Fr. Braigan.

Saturday evening in the dining room at Zuel's Tavern a farewell party was given in honor of Lewis Dorman who left for the army. Neil Mathews headed the committee in charge. Some twenty-eight couples were present and both Mr. and Mrs. Dorman were presented with a gift.

Misses Monica Brady and Alma Bidvia spent last weekend in Detroit. Clarence Roberts, conservation officer replacing Lewis Dorman, who is in the war service, arrived on the job Tuesday. He comes here from the district north of Petoskey. We are sure he is most welcome and trust he will like Grayling and that he may become as well liked here as Mr. Dorman. For the present Mr. Roberts is staying at the fish hatchery.

Dewey Coutts, of Fort Sill, Okla., is spending a short furlough with his mother, Mrs. N. VanNatter. He is anxious to see as many of his friends while he is home as possible.

by Mayor Cook at 7:30 p. m.
Members present: Cook, Soren-
son, Duley, Broadbent.
Members absent: Madsen.

Citizens present: Ward Ellison,
Mrs. Milow Case, Mrs. Dora Case,

A motion was made by Sorenson
and supported by Cook that the re-
quest by McCready & Sons, Inc.,
contractor, for final payment on the
office building contract, be
withheld until certain work be
done on the windows and a certi-
fication of accounts be presented
the City by McCready's.

The Council ordered the City
Manager to discontinue and remove
the parking meters December 6,
1965.

The Council asked that Mr. Don-
ald Elgas of the Consumers Power
Company, appear before the Coun-
cil at the next regular meeting to
discuss outdoor lighting for the
City Hall drive.

The Council feels that the City
should again give prizes for the
best Christmas decorations for
both homes and business places as
an incentive to create a better
holiday atmosphere for the City.

The Council asked the Manager
to contact McCready & Sons, Inc.,
regarding a canopy for the south
entrance to the City Hall.

As there was no other business
to come before the Council, the
